

Captain's Drills

49 micro-prompts. 90 seconds each. Seven weeks, seven per week. Skip without guilt — the drill is the rep, not the workout. Run one per day if it serves you. Sundays are Sabbath — drill off. The week themes match the bootcamp's seven Voyage weeks: Vision, Body, Spiritual, Husbanding, Fathering, Finance, Sabbath.

TIER LEGEND — use this to prioritize when time is short:

- S** — Essential
- A** — Recommended
- B** — Deeper
- C** — Specialty
- R — Sabbath rest

Week 1 • Vision

- A** 1. Ask Claude: "What's the one assumption I'm making about AI that's probably wrong?"
- S** 2. Take a prompt that worked this week and make it sharper — then save it so you can run it again.
- A** 3. Read Habakkuk 2:2 aloud. Ask God first to make your vision plain — sit with it in prayer. Then bring those thoughts to an AI to refine how and where to write it down.
- C** 4. Open three models with the same vision question. Compare. Pick the one that earned its keep.
- B** 5. Have AI help draft a letter from your 80-year-old self to today's captain. Read it before bed.
- A** 6. Write your 5-year vision in ONE sentence. Cut everything else.
- 7. Sabbath. Drill off.

Week 2 • Body

- S** 8. Ask AI for 3× strength + 2× walking schedule. Put it on the calendar.
- C** 9. List yesterday's food. AI calculates protein. Adjust today by one meal.
- A** 10. Read 1 Cor 6:19–20. Ask Claude: "What does temple stewardship look like Monday morning?"
- A** 11. Pick ONE sleep variable (caffeine cutoff, screens, bedtime). AI helps you track 3 nights.
- B** 12. Take one call walking instead of sitting. Voice-memo what changed.

- 14. Sabbath. Drill off.

Week 3 • Spiritual

- A** 15. Read Joshua 1:8. Ask Claude: "When did I last meditate on Scripture day and night?" Be honest.
- S** 16. Before your next AI session, pray. Tell AI what you prayed. Notice what shifts.
- A** 17. Pick a verse. Hand-write it (no AI). Carry it in your pocket today.
- C** 18. Voice-memo one sin. Whisper it. AI summarizes. Confess to God. Delete the file.
- A** 19. 10-min walk, no phone. Then voice-memo what God said. Whisper it. Read it tomorrow.
- B** 20. Take last Sunday's sermon. AI helps extract 5 actions. Do one today.
- 21. Sabbath. Drill off.

Week 4 • Husbanding

- S** 22. Send your wife one sentence of appreciation, drafted by you, polished by AI.
- A** 23. After the next time she talks, voice-memo what she said. Whisper it. Re-read it tomorrow.
- A** 24. Read Ephesians 5:25–28 aloud. Ask Claude to roast your week against it. Sit with it.
- A** 25. Ask Claude for one question to ask your wife you've never asked. Ask it tonight.

Week 5 • Fathering

- C** 34. Read your Family AI Policy aloud at dinner. Adjust one rule.
- 35. Sabbath. Drill off.

Week 6 • Finance
