

Draw the Line — Stewardship vs. Dependence

AI replaces nothing the Lord gave you.

Map three places AI could quietly replace prayer, Scripture, or wise counsel. Then close those doors.

Action checklist

- Identify 3 places AI could replace prayer / Scripture / a brother's voice.
- Write a guardrail for each:
 - I will not _____ with AI.
 - Examples: "I will not write my prayers in Claude." "I will not test sermon convictions on AI before I sit with the Word."
- Hard rule: AI never replaces the Spirit, the Word, or your wife's voice.
- Post one of your guardrails in the bootcamp comments.

Scripture sit

Psalm 1 — meditation on the Word, day and night. AI is not the law of the Lord.
