

Prep One Hard Conversation (Don't Hide Behind AI)

AI prepares the captain. The captain shows up.

There's a conversation you've been avoiding with your wife or a kid. This is the rep. AI is the prep room, not the pulpit.

Action checklist

- Use Claude to prepare. Clarify what you want to say. Anticipate her response. Find the kindest true words.
- Then have the conversation. Without AI in the room.
 - AI prepares the captain. The captain shows up.
 - If you find yourself reading off your phone, you've missed the point.
- Afterward, log 2 sentences: what landed, what you'd do differently.

Be gentle with her

She doesn't need a polished speech. She needs you, sober and present.

Scripture sit

Ephesians 4:15 — Speak the truth in love. AI helps you find words; the Spirit gives you courage.
