

Teach One Person One Thing

Walk one brother through one thing you learned. Watch him do it once.

The bootcamp doesn't end until you've handed it off. Multiplication is the test of mastery. Today: pick the brother, pick the thing, do the rep.

Action checklist

- Pick ONE brother — a friend, a man at church, a colleague — who needs this.
- Pick ONE thing you learned in this bootcamp that he can use.
- Schedule a 30-minute walk-through (in person if possible).
- Walk him through it. Watch him do it once. Don't take the keyboard.
- Send him the link to family-captain.html. He starts where you started.

THE GRADUATION

A captain who hoards the playbook isn't a captain. He's a hobbyist. Multiplication is the commission.

Scripture sit

2 Timothy 2:2 — "What you have heard from me... entrust to faithful men, who will be able to teach others also."
