

Build Your Tool Stack

2–4 tools from the Compass. One line of purpose each.

A captain knows what's on his ship. Open the Compass, pick 2–4 tools that earn their keep, and write one line of purpose each. Empty rows are honest.

Action checklist

- Open family-captain-tools.html (the Captain's Compass).
- Pick 2–4 tools you'll actually use this bootcamp.
- Write one line per tool: what I use it for: _____
- Save the page. You'll update it Week 7 during the audit.

Scripture sit

Proverbs 27:23 — "Be diligent to know the state of your flocks." Same with your tools. Know what you have.
