

Captain's Drills

49 micro-prompts. 90 seconds each. Seven weeks, seven per week. Skip without guilt — the drill is the rep, not the workout.

Run one per day if it serves you. Sundays are Sabbath — drill off. The week themes match the bootcamp's seven Voyage weeks: Vision, Body, Spiritual, Husbanding, Fathering, Finance, Sabbath.

Week 1 • Vision

1. Ask Claude: "What's the one assumption I'm making about AI that's probably wrong?"
2. Rewrite your worst prompt of last week — the one you're embarrassed about.
3. Read Habakkuk 2:2 aloud. Ask Claude to help you make your vision plain. Write it down.
4. Open three models with the same vision question. Compare. Pick the one that earned its keep.
5. Have AI help draft a letter from your 80-year-old self to today's captain. Read it before bed.
6. Write your 5-year vision in ONE sentence. Cut everything else.
7. Sabbath. Drill off.

Week 2 • Body

8. Ask AI for 3× strength + 2× walking schedule. Put it on the calendar.
9. List yesterday's food. AI calculates protein. Adjust today by one meal.
10. Read 1 Cor 6:19–20. Ask Claude: "What does temple stewardship look like Monday morning?"
11. Pick ONE sleep variable (caffeine cutoff, screens, bedtime). AI helps you track 3 nights.
12. Take one call walking instead of sitting. Voice-memo what changed.
13. Voice-memo: "How am I treating my body this week?" Whisper. Read it. Adjust one thing.
14. Sabbath. Drill off.

Week 3 • Spiritual

15. Read Joshua 1:8. Ask Claude: "When did I last meditate on Scripture day and night?" Be honest.
16. Before your next AI session, pray. Tell AI what you prayed. Notice what shifts.
17. Pick a verse. Hand-write it (no AI). Carry it in your pocket today.
18. Voice-memo one sin. Whisper it. AI summarizes. Confess to God. Delete the file.
19. 10-min walk, no phone. Then voice-memo what God said. Whisper it. Read it tomorrow.
20. Take last Sunday's sermon. AI helps extract 5 actions. Do one today.
21. Sabbath. Drill off.

Week 4 · Husbanding

22. Send your wife one sentence of appreciation, drafted by you, polished by AI.
23. After the next time she talks, voice-memo what she said. Whisper it. Re-read it tomorrow.
24. Read Ephesians 5:25–28 aloud. Ask Claude to roast your week against it. Sit with it.
25. Ask Claude for one question to ask your wife you've never asked. Ask it tonight.
26. Pick one hour with your wife this week. Phone out of sight. AI captures highlights after.
27. Have AI help you remember 5 specific moments from your marriage. Tell her one.
28. Sabbath. Drill off.

Week 5 · Fathering

29. Ask Claude for 3 age-appropriate questions per kid. Use one tonight.
30. Voice-memo what's hardest about fathering this season. Whisper it. AI summarizes. You decide one fix.
31. Read Deuteronomy 6:6–7. Ask Claude: "Where am I doing this? Where am I not?"
32. Have AI draft a one-sentence blessing per kid. Speak it over them tonight.
33. Watch one kid do something hard for 5 minutes without correcting. Voice-memo what you saw.
34. Read your Family AI Policy aloud at dinner. Adjust one rule.
35. Sabbath. Drill off.

Week 6 · Finance

36. Open last month. Did giving come first? Voice-memo the answer. Don't justify.
37. Read Malachi 3:10. Ask Claude to push back. Defend tithing in writing.
38. List recurring charges. AI helps decide. Kill one today. Screenshot the confirmation.
39. Pull up your major accounts. AI generates a checklist of beneficiary fields. Confirm one today.
40. Voice-memo: "Where is money leaking?" Whisper. AI summarizes. Plug one leak.
41. Pick one specific person or cause. Have AI draft the giving plan. Send it before Friday.
42. Sabbath. Drill off.

Week 7 · Sabbath

43. AI drafts your 24-hour Sabbath protocol. Cut what's optional. Commit on paper.
44. Pick where the phone sleeps on Sabbath. Voice-memo the ritual you'll follow.
45. Read Exodus 20:8. Ask Claude: "When did I last truly remember the Sabbath?" Don't soften.
46. Run your week through AI: prompts used, actions taken. ONE anchor for next week.
47. Walk one brother through one thing you learned this bootcamp. Watch him do it once.

48. Have AI help draft a blessing for 3 specific people. Send one. Hand-write the second. Pray the third.

49. Sabbath. Drill off.
