

Build Your One-Page Tool Stack

Five tools max. One line each. Empty rows are honest.

A captain knows what's on his ship. Today: write a one-page tool stack. Five tools. One line of purpose each. If you don't have a use, leave it blank.

Action checklist

- Claude — what I use it for: _____
- ChatGPT — what I use it for: _____
- Gemini — what I use it for: _____
- Grok — what I use it for: _____
- Whisper — what I use it for: _____
- Save the page somewhere you'll see it. You'll update it Week 5.

Scripture sit

Proverbs 27:23 — Be diligent to know the state of your flocks. Same with your tools. Know what you have.
